

Kiwi Made
Features:

- Removable floating seat
- Collapsible oars
- Carry bag
- Hand pump
- Repair kit
- Protective skids
- Solid carry handles
- Transom protection plate

Puffin Airfloor Keel

Rollup Tender with Robust Floor and “V” Keel

The Puffin Airfloor with Keel is lightweight like its predecessor, but features the larger diameter tubes of a Shearwater. The newly developed design features a greater payload and doesn't sacrifice performance thanks to its pre-shaped inflatable keel. The thermally welded tubes are fixed to a high-pressure drop-stitch inflatable floor that is solid and stable to stand on, but won't damage your yacht or launch.

The Puffin Airfloor Keel Tracks nicely through the water and is easily packed away for storage.

	Length External	Beam External	Length Internal	Beam Internal	Tube Diameter	Weight	Air Chambers
250	2.50m	1.43m	1.70m	0.75m	0.40m	22kgs	3
280	2.80m	1.43m	2.04m	0.75m	0.40m	25kgs	3

	Payload	Max HP/Shaft	Overall Height	Hull Degree Deadrise	Pack down size (Length)	(Width)	(Height)
250	400kgs	5hp short	0.47m	-	1.10m	0.60m	0.55m
280	450kgs	5hp short	0.47m	-	1.10m	0.60m	0.55m
