Puncture-Proof, Large Volume Performance

The ultimate low-maintenance performer, built to spend more time on the water. Southern Pacific's decade of foam tube development has eliminated the repair and maintenance costs that undermine traditional pontoons, without giving up any of the ride. The D-Tube internal beam delivers more internal volume than boats well over 5 meters, while foam technology engineered for stability brings performance pedigree of the PerformR and SeekR into a smaller, easier to handle package. Hard-wearing, puncture proof, and ready for anything.

Features

- 76 L fuel tank
- 'Never-go-flat' D-tubes with Speedliner and F-Tec rub strips
- Carbon fibre keep capping
- Reinforced lifting points
- Non-skid flooring
- Anchor locker
- Removable carbon tow pole
- GRP console & seat
- Internal fishing rod holders
- Aft seats with dry storage
- Rear mounting platform

Specifications

Length External	5 m	16'4"
Beam External	2.1 m	6'9"
Length Internal	4.02 m	13'2"
Beam Internal	1.75 m	5'7"
Fuel Tank Capacity	76 L	
Dry Weight	420 kg	926 lbs
Payload	920 kg	2028 lbs
Recommended Engine Weight	100 kg	220lbs
Recommended HP	60 HP
